Dated 30th December, ~~1952~~ 1953.

FOR MYSORE STATE

EDUCATION DEPARTMENT.

From

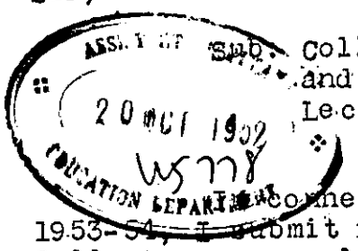
The Director of Public Instruction,
M A D R A S.

To

The Secretary to Government,
Education Department, MADRAS.

C.No.1655 Kz/52, dated 14-10-1952.

Sir,



Sub:- Colleges - Government Training Colleges at Mangalore and Kurnool - Sanctioning of additional posts of Lecturers - Part II Scheme for 1953-54.

***

In connection with Part II of the Budget Estimate for 1953-54, I submit for the favourable consideration of Government the following proposal for the sanction of two more posts of Lecturers in the Madras Educational Service for each of the Government Training Colleges at Mangalore and Kurnool with effect from 1953-54.

2. The principle underlying the reorganisation of staff in Government Training Colleges was to have 5 Madras Educational service posts only in each college viz., Principal and 4 Lecturers. On this basis, Government sanctioned the staff of 1 Principal and 4 Lecturers to each of the two permanent Training Colleges for Men to begin with, i.e., Teachers' College, Saidapet and Government Training College, Rajahmundry - vide G.O.No.1938, Education, dated 4-7-1950 - Later on it was applied to the Lady Willingdon Training College, Madras and the Government Training College, Kozhikode with effect from 1951-52 - vide Government Order No.3328 Education, dated 18-12-1950 as amended in Government Memo No.204-2/51-A, Education, dated 17-1-1951 and G.O.No.1028, Education, dated 18-4-51. Now there are two other Government Training Colleges, viz.,,Mangalor and Kurnool which have only 3 gazetted members of the staff, viz., Principal and 2 Lecturers. There is a real need for 4 Lecturers in the Madras Educational Service besides the Principal in each of the two Colleges. Only for reasons of economy at the initial stage a Gazetted staff of 1 Principal and 2 Lecturers was proposed for each of these two Colleges. Now that the Training College at Kozhikode has the full complement of Madras Educational Service staff(1 Principal and 4 Lecturers) it is no less necessary to provid the same scale of staff for the other two new Colleges at Mangalore and Kurnool at least from the next academic year. In the circumstances, I request that Government may kindly sanction two additional posts of Lecturers in the Madras Educational Service for each of the Government Training Colleges at Mangalore and Kurnool with effect from 1-7-1953.

3. The financial effect of the proposal is indicated below

1953-54. 7-12-

Recurring: 4 Lecturers(2 for each College) 230x4x8 = Rs.~~6,760~~/-
Dearness Allowance. 44x4x8 = Rs.~~1,408~~/-

Total Rs.~~7,168~~/-
or
Rs.7,200/-

Ultimate cost:
Average pay of 4 Lecturers 449 1/3 x 4 x 12 = Rs.21,568/-
Dearness Allowance. 70 x 4 x 12 = Rs. 3,360/-

Total Rs.24,928/-
or
Rs.24,900/-

The ultimate cost is based on the existing scale of Rs.230-700. It will ~~also~~ be less by nearly one-seventh if the revised scale of Rs.230-500 is brought into force.

4. Necessary provision may kindly be included in Part II of the Budget Estimate for 1953-54.

Yours faithfully,

for Director of Public Instruction.

Edn (A) Dept

Memo No 45778-A/52-2 Edn dated 14/11/52

Sub: Colleges - Govt Training College at Mangalore and Kurnool - Additional posts of lecturers - Sanction of

Ref: From the DPI no 16.55 K 2/52, dated 14-10-1952

The DPI is requested to send immediately modified proposals for the minimum irreducible no of posts of lecturers required for the Govt Training Colleges at Kurnool and Mangalore during the year 1953-54

BK 14/11/52

14/11/52

14/11/52

14/11

Consequent on the reorganisation of the B.T. Course there are now eleven optional subjects,

i. Indian Languages,
ii. Classical languages,
iii. English
iv. Mathematics
v. Science
vi. Home Science
vii. Social Studies
viii. Basic Education
ix. Music
x. Arts and Crafts
xi. Technical Subjects(Agriculture, Commerce, Engineering etc.

The subjects for which provision is ordinarily made in the Government Training Colleges are 1, 3, 4, 5 and 7 above. All these five subjects are of equal importance and each of them must have a Lecturer in the Madras Educational Service. In addition every Training College must necessarily have a Lecturer in Education to teach the compulsory subjects "Theory of Education and School Organisation" and "Educational Psychology and Sociology". Thus it is necessary that every Government Training College should have at least six posts of Lecturers in the Madras Educational Service of which one might be combined with that of the Principal. The present staff of the Government Training Colleges falls short of the requirement specified above as there are only 5 posts in the Madras Educational Service(1 Principal and 4 Lecturers) in each of the three Government Training Colleges(Men) at Saidapet, Rajahmundry and Kozhikode and 3 posts (1 Principal and 2 Lecturers) in each of the other two Training Colleges at Mangalore and Kurnool. In order that the reorganisation of the staff of the Government Training Colleges may not entail additional expenditure in the initial stage it was proposed to Government that in "each Training College there be a staff of five Madras Educational Service Lecturers of whom

be the Principal"" - vide para 2 of the Director's letter R.C.1272-K2/49 (C) 11, 15-7 CF dated 26-5-19.. ..sed in G.O.Ms.No.1938-Edn., dated 4-7-1950. Again, (E) p 19 CF to economise expenditure, the two new Training Colleges at Mangalore and Kurnool were started with only two Lecturers instead of four(excluding the Principal.

2. The existing inadequacy in the number of Gazetted posts in the Training Colleges, particularly in the Training Colleges at Mangalore and Kurnool, is causing difficulty in the posting of Lecturers qualified to teach the optional subjects in which the colleges are affiliated. I therefore consider that the irreducible minimum number of posts of Lecturers required for a Government Training Colleges is five(excluding the Principa On this basis each of the two Training Colleges at Mangalore and Kurnool requires three more posts of Lecturers, but I have requested Government to sanction only two more posts of Lecturers to each college from 1953-54 so as to bring immediately the staffing of these colleges to the standard of the other three Government Training Colleges. The question of adding one more Gazetted post to all the five colleges will have to be considered sometime hence.

3. In the circumstances explained above I submit that my proposal for the employment of two more Lecturers in the Government Training Colleges was a moderate request to satisfy the immediate needs. If I am required to reduce this further, all that I can say is that one more lecturer in each college will be better than none at all.

Part II Scheme for 1953-54

Sub:- Colleges - Govt Trg colleges at Mangalore and Kurnool - Addl posts of lecturers - ~~creation~~ - ~~Proposals~~.

Summary of the cost

Items of Expenditure (2)	Ultimate cost (3) Recurring Rs	Cost in 1953-54 (4) Rs
Employment of one lecturer in the I.E.S in each of the Govt. Trg. Colleges at Mangalore and Kurnool in the scale of pay of Rs 250-30/2-280-40/2-500-50/2-700.	Rs 10,800	Rs 3,700
Dearness allowance	Rs 1700	Rs 700
	Rs 12,500	Rs 4,400

Explanatory note.

In 1950, the Govt approved the proposals of the D.P.I for the reorganisation of the staff of the Training colleges under their administrative control, and sanctioned the following staff, in lieu of the then existing staff, in each of the three Training colleges, at Teachers' college, Saidapet, Lady Willingdon Trg. college, Madras and the Govt. Trg. College, Rajahmundry.

one Principal
four lecturers
Six Asst lecturers

Later, in April 1951, two more posts of lecturers in the I.E.S were sanctioned for the Govt Trg college, Kozhikode, which was started in July 1950, making in all one Principal four lecturers and five Asst lecturers. Each of the two Govt Trg Colleges at Mangalore and Kurnool, which were started in July 1950 and July 1952 respectively, have only two lecturers besides the Principal. The D.P.I has submitted proposals for the employment of two addl lecturers each of the latter colleges for consideration as a Part II Scheme for 1953-54, stating that there is a real need for four lecturers besides the Principal each of the two colleges, that only for reasons of economy at the initial stages, one Principal and two lecturers were proposed for these colleges and that as the Govt Trg College, Kozhikode, has the full complement of I.E.S. staff

it is no less necessary to provide the same scale of staff for the two new colleges at least from the next academic year. As the extra cost involved in the proposal is large, Director has been requested to send modified proposals for the minimum irreducible no of posts required for the govt Trg. colleges at Mangalore and Kannur during 1953-54. The Dir has stated that the irreducible minimum of posts of lecturers required for a govt Trg college is five, excluding the Principal, that on this basis each of the two govt Trg colleges at Mangalore and Kannur requires three more posts of lecturers and that one ladder lecturer in each of the Trg colleges at Mangalore and Kannur may be employed (w.e.f 1-7-1953 with a view to immediate economy, if necessary). The extra cost involved in the revised proposal will be Rs 7,400 during 1953-54 and Rs 12,500 ultimately. This dept recommends the proposal. When the file was circulated, M (Edn) and M (Fin) minuted as follows:-

"Revised proposal of the D.P.I. ... is the absolute minimum requirement which may be accepted by M (Fin)" (Sd) M.V. Krishna Rao
M (Edn) 4.

"May take its chance as a Part II Scheme
(Sd) C. Subramaniam
M (Fin) 6.

The necessary provision may be made in the BE for 1953-54 as shown in the preliminary above

PART II SCHEME FOR 1953-54.

Sub:- COLLEGES - Government Training Colleges at Mangalore and Kurnool - Additional posts of Lecturers.

SUMMARY OF THE COST

Head of Account	Items of expenditure	Ultimate cost Recurring Rs.	Cost in 1953-54.
	(2)	(3)	
37.Education-University (d) Government Professional colleges - other schemes. -6. Teachers colleges.			
1. Pay of officers.	Employment of one Lecturer in the Madras Educational Service in each of the Government Training Colleges at Mangaloro and Kurnool in the scale of pay of Rs. 230-30/2-260-40/2-500-50/2-700.	10,800	3,700
3. Allowances	Dearness Allowance	1,700	700
	Total Rs.	12,500	4,400

EXPLANATORY NOTE

In 1950, the Government approved the proposals of the Director of Public Instruction for the reorganisation of the staff of the Training Colleges under their administrative control in accordance with the requirements of the Universities and sanctioned the following staff, in lieu of the existing staff, in each of the three Training Colleges, i.e., Teachers' College, Saidapet, Lady Willingdon Training College, Madras and the Government Training College, Rajahmundry.

One Principal.
Four Lecturers.
Six Assistant Lecturers.

Later, in April, 1951, two more posts of Lecturers in the Madras Educational Service were sanctioned for the Government Training College, Kozhikode, which was started in July 1950, making it in all one Principal, four Lecturers and five Assistant Lecturers. Each of the two other Government Training Colleges at Mangalore and Kurnool which were started in July 1950 and July 1952 respectively, have only two lecturers besides the Principal. The Director has submitted proposals for the employment of two additional Lecturers in each of these two colleges for consideration as a Part II Scheme for 1953-54, stating that there is a real need for four Lecturers besides the Principal in each of the two colleges, that only for reasons of economy at the initial stages, one Principal and two Lecturers were proposed

P.T.O.

for these colleges and that, as the Government Training College, Kozhikode, has the full complement of Madras Educational Service staff, it is no less necessary to provide the same scale of staff for the two new colleges at least from the next academic year. As the extra cost involved in the proposal was large, the Director was requested to send modified proposals for the minimum irreducible no. of posts required for the Government Training College at Mangalore and Kurnool during 1953-54. The Director has stated that the irreducible minimum of posts of lecturers required for a Government Training College is five, excluding the Principal, that on this basis each of the two Government Training Colleges at Mangalore, and Kurnool requires three more posts of Lecturers and that considering the need for utmost economy, atleast one additional lecturer in each of the Training Colleges at Mangalore and Kurnool may be employed with effect from 1-7-1953. The extra cost involved in the revised proposal will be Rs. 4,400 during 1953-54 and Rs. 12,500 ultimately. This department recommended the proposal. When the file was circulated, the Minister for Education and the Minister for Finance minuted as follows:-

"Revised proposal of the Director of Public Instruction ..... is the absolute minimum requirement which may be reconsidered by the Minister for Finance"

(Sd). M.V. Krishna Rao,
M.(Edn.) 4-12-52.

"May take its chances as a Part II Scheme"

(Sd). C. Subramaniam,
M.(Fin.) 6-12-52.

Necessary provision may be made in the Budget Estimate for 1953-54 as shown in the summary above.

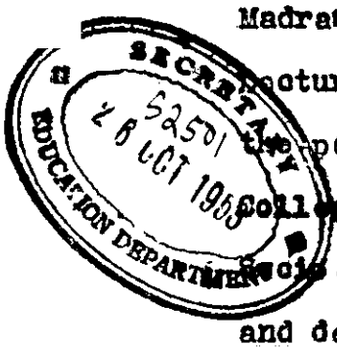
Re: LECTURER IN EDUCATION-CONVERSION TO KANNADA-
AT GOVERNMENT TARINING COLLEGE, MANGALORE. S. KANARA
****



Being given to understand that the Government of Madras in confirmity with their policy of readjusting the posts of Lecturers in Government Training Colleges, are going to convert - the post of the Lecturer in Education, in the Government Training College, Mangalore, which was vacant for some time, to that of - Social Science or Science, and as persons interested in the growth and development of Kannada, and in keeping with the practice of a regional language Lecturer in other Training Colleges of the State we appeal to you to kindly consider the conversion of the said post of a Lecturer in Education to that of a Lecturer in Kannada for the following among other reasons.

1 . A Lecturer in Kannada in the Training Collegeim in Kannada Ar
a
ia/recognition of the just claims of Kannada Area, and is a proper start and encouragement for the Regional Language of the area, over which there is a cry by the enlightened public that its interests are neglected at the Hands of the Government. It is also in keepin with the policy and the desired end of the Government to give prom nence to regional Languages in Schools and Colleges.

2. For the proper development of a Regional Language it must receive due prominence in Schools and Colleges, more especially in - Training Colleges, where the Graduate Pupil Teachers should be made to go out with the intense Training in Kannada, in their task of- handling the rising generation on a large scale, in the matter of - Education and with the idea that Kannada should receive prominence in their schools as a regional language. Therefore the institution

of Lecturership in Kannada and a Prominence to that end in a Training College meant for Kannada Area has far-reaching effect.

3. Since this appeal is only to convert a new vacant post into Kannada, as said above, it will not entail any additional expenses to Government. It looks as if there is no possibility of creation of any new post hereafter if this opportunity is not availed of, due to the constant complaint of want of funds by the Government in the matters of this type.

4. There are barely two posts of Kannada Lecturers in the whole Presidency, and,it therefore by no means can be said that the demands of Kannada have been met.Thus if the benefit of the conversion Scheme in The Local Training College,is not given to Kannada, a great opportunity to serve the Kannada Language, without entailing additional cost would be lost, and the Question of Funds, therefore may be a standing barrier for the creation of such post in future.

5. It is possible that as a matter of fact Departmental recommendations might be made to the Contra ignoring the interest evinced by the Public in Kannada, which is a sister Language to Telugu, Malayalam, and Tamil, and which Kannada Language has a wide Literature and ancient Culture worthy of preservation and development at the hands of the Benign Government.

Therefore it is hoped that the Government will find little difficulty in acceding to the above request, and convert the post of Lecturer in Education to that in Kannada,in Government Training College, Mangalore.

Dear Sir,

Ref:- Interview with the Minister-
Conversion of lecturership to Kannada-
Government Training College, Mangalore.

As per your intimation to me through your personal clerk, to my letter dated 21- 10- 1953 seeking an interview, as you were busy after your return to Mangalore from Udipi with a number of functions, and as fellow- deputationists could not be gathered for a pursuit after you on your return from Udipi; I am herewith sending a Memorial setting forth the points on which we want an interview. We request you to do the needful in the matter in the interest of Kannada.

11.9-10 wfp

Thanking You.

Yours Faithfully,
B. B. Shetty

C1803

H.E.L.A dept. (C.E.)

file on the subject was sent on 30.5? It has been suggested therein that no action need be taken on the request of the petitioners for the sanction of a Kannada Lecturer's post for the Govt Trg. College Mangalore (Circum. to M.(F. & E.) has also been suggested here. The return of the file with the views of the Secy may be awaited. A further note w.r.t. the alternate proposals at pp. 9-10 infra will be prepared & sent

19/11/53

To,

The Honble. Minister For
Education,Madras.

Sir,

Re:-Lecturers Post in Kannada-Government Training College, Mangalore.

MEMORIAL FROM THE PUBLIC OF S.KANARA DATED, 2

****

In continuation of the Memorial from the Public of Kannandigas of S.Kanara,referred to above, we desire to emphasize that by instituting Lecturership in Kannada,at Government Training College, Mangalore,the principle of giving the Regional Language(Kannada) a prominent place in its own region will be recognised. With this view before us we are approaching you to sanction a post of Lecturer in Kannada at Government Training College, Mangalore. We have to state that we are not interested in any person. Therefore we request you to convert the post of Lecturer in Education,(referred to in the above-quoted Memorial that has been converted into Lecturership in Science to be reconverted into that of Kannada.

If it is not possible to disturb the arrangements now existing, we request you to create a post of a Lecturer in Kannada at Govt. Training College, Mangalore, as it will cost only about Rs.500 extra per year to the Govt.

In the event of the Govt. pleading pausity of funds we request you to be kind enough to consider the following proposals:-

(1) The Principal of Govt.Training College, Mangalore is English Lecturer. He is assisted by an Assistant Lecturer in English, and a Tutor.The post of Assistant Lecturer in English may be abolished and the savings accrued may be utilised for the institution of Lecturership in Kannada.

We are sure that the abolition of an assistant Lecturer will not affect instruction in any way as there is a Lecturer and a Tutor. The Principal in a Training College may not have much work and the tutors will have very little work.

(2) It is learnt that Kozikode Government Training College started along with the Mangalore Training College with three Gazetted posts of Lecturers was given - two more Gazetted posts of Lecturers in 1951 while the latter was denied. This is a great injustice done to Mangalore Training College. Therefore we request you to transfer one gazetted post from Kozikode Training College so that there may be equal number of gazetted posts in the two Colleges started at the same time in 1950.

In conclusion we request you to give Kannada a prominent place in its own region by respecting the wishes of Kannadigas and pass favourable orders sanctioning a post of Lecturer in Kannada, at Government Training College, Mangalore.

Yours faithfully,

B M Shetty

Rec.63K2/54 dated 16-2-54.

Sir,

Sub: Colleges -GovernmentTraining College, Mangalore - sanction of a post of Lecturer in Kannada.
Ref: Govt.Memorandum No.52501 EI/53-1 Edn., dated 4-1-54

The University of Madras, at the time of granting the initial affiliation in 1950 to the GovernmentTraining College, Mangalore, stipulated that there should be three lecturers (Madras Educational Service cadre) in the college including the Principal This requirement has been already satisfied. However in the interests of greater efficiency, Governmenthave already been addressed in my letter Rc.1655 K2/53 dated 24-10-53 for the sanction of additional Madras Educational Service posts. As and when these posts are sanctioned, they may have to be utilised for Psychology and Mathematics because the former is a key subject in a training college and the latter with 31students is, from the point of view of student strength and work, on a par with the other subjects having lecturers in the Madras Educational Service.

2. The no.of B.T.students taking Kannada as an optional subject is only 4. To create a post of Lecturer in Kannada in the Government Training College, Mangalore as a measure of recognition of the importance of the language in the region is hardly necessary The existing post of lecturer in Kannada in the GovernmentArts College, Mangalore is sufficient for the purpose.

3. The proposal of abolishing the post of Asst.Lecturer in English in order to raise the post of Asst.Lecturer in Kannada to that of a lecturer is not practicable as the Principal requires the help of an Asst.Lecturer in English and cannot take over the entire work of the department in addition to his(Principal(s) own duties. The transfer of provision of a Lecturer's post from the Government Training College, Kozhikode to Mangalore is impracticable. None of the four posts of Lecturers in English, Mathematics, Education and General Science in the former college can be taken away for the benefit of the Mangalore College.

Subj: Colleges - Govt Training Colleges at Mangalore and Kurnool - Sanctioning of additional posts of Lecturers - Part II Scheme for 1953-54

Ref: from the DPI no 1655 K2/52, dated 14-10-1952

In 1950, the Govt approved the proposals of the DPI for the reorganisation of the staff of the Teachers' College, Saidapet and the Govt Trg college, Rajahmundry, and sanctioned the following in lieu of the then existing staff, for each of the two colleges.

1. Principal
4 Lecturers
6 Asst. Lecturers.

Subsequently, the Govt sanctioned one Principal, 4 Lecturers in the T.Es and 6 Asst lecturers for the A.V.T.C. In April 1951, the Govt sanctioned two more posts of Lecturers in the M.Es for the Govt. Training college, Kozhikode which was started in July 1950 making it to all 1 Principal, 4 Lecturers and 5 Asst. Lecturers. There are two other Govt Trg colleges (viz Basel Mission), Govt Training college, Mangalore and Govt Trg. College, Kurnool, started in July 1950 and July 1952 respectively, which have only one Principal, and 2 Lecturers and 5 Asst lecturers. The Director has stated that there is a need for 4 lecturers in the M.Es, besides the Principal in each of the two colleges and that as the Govt Trg College, Kozhikode, which was started in July 1950, has the full complement of M.Es staff, viz, 1 Principal and 4 Lecturers, it is no less necessary to provide the same scale of staff for the other two colleges at Mangalore and Kurnool, at least from the new academic year. He has requested the Govt to accord sanction for the employment of 2 addl. lecturers in the M.Es in each of the two colleges at Mangalore and Kurnool. The extra expenditure involved in the proposals is Rs 24,900 which is based on the existing scale of pay of lecturers viz Rs 230-30/2-260-40/2-300-50/2-400 and it will be less by nearly 1/7th if the revised scale of pay of Rs 230-500 is brought into force

affiliation of the colleges in additional courses and in comparison with any other institution, it is too premature to enter to the question of sanctioning additional staff for these colleges pending the existing financial stringency, the DPI's proposals may be deferred. For orders

Finance may see for remarks before circulation

It does not appear that the proposal is very urgent may be deferred.

PART II SCHEME FOR 54-55.

In 1950, the Govt. approved the proposals of the D.I.I for the reorganisation of the staff of the Training Colleges under their administrative control in accordance with the requirements of the Universities and sanctioned the following staff, in lieu of then existing staff, in each of the three Training Colleges, i.e., eachers' College, Saidapet, Lady Willingdon Training College, Madras and the Govt.Training College,Rajahmundry.

One Principal, Four Lecturers, Six Asst.Lecturers. Later, in April,1951, two more posts of Lecturers in the Madras Educational Service were sanctioned for the Govt Training College,Kozhikode, which was started in July 1950, making it in all one Principal, four Lecturers and five Asst.Lecturers. Each of the two other Govt. Training Colleges at Mangalore and Kurnool, which were started in July 1950 and July 1952 respectively, have only two lecturers besides the Principal. The Director has submitted proposals for the employment of two additional Lecturers in each of these two colleges for consideration as a Part II Scheme for 1953-54, As the extra cost involved in the proposal was large, the Director was requested to send modified proposals for the minimum irreducible No. of posts required for the Govt.Training Colleges at Mangalore and Kurnool, during 1953-54. The Director has stated that the irreducible minimum of posts of lecturers required for a Government Training College is five, excluding the Principal, that on this basis each of the two Govt.Training Colleges at Mangalore and Kurnool requires three more posts of Lecturers and that considering the need for utmost economy, atleast one additional lecturer in each of the Training Colleges at Mangalore and Kurnool may be employed with effect from 1-7-1953.

The revised proposal of the Dir. was considered as a Part II Scheme for 53-54 and placed before the S.F.C. for their consideration. The proposal did not get the approval of the S.F.C and the matter was not pursued further.

2/ The Govt.Training College at Kurnool is now under the control of the Andhra Govt. The question of strengthening the staff of the Govt.Training College at Mangalore alone will have to be considered now. This college has only two Lecturers besides the Principal. The Dir. has explained the need for employing additional staff for this college in his letter at pp 5-6 c.f. In the circumstances stated ~~above~~ this Dept. may support the proposal for the creation of the post of a Lecturer in the Govt.Training College, at Mangalore w.e.f. the next acadamic year. The immediate and ultimate cos involved in the proposal are Rs.2,200/- and Rs.6,250/- respectively

3/ Finance may see for remarks before circulation.

17/12/53 17.12.53

Has the D.P.I included th in the Part II list for 1954- Is some other file they has an the question of providing adequa staff in Govt. Trg. colleges. Plea deal this along with that file

As the D.P.I. has not renewed the proposal for the sanction of addl. M.E.S. posts in the Trg. Colleges, it does not seem necy. to proceed with this file. The papers may be "recorded" as a G.O. for facility of future reference. For orders.

Colleges - Govt. Trg College, Mangalore. Assignment of a post of Lecturer to the subject 'Kannada' - Representation thereon.

Ref: Memo. No. Pub(C) of Govt. of Mysore dated 17.9.52.

C SUBRAMANIAM
13-10-53.

Please see the representation at pages 1-5 ante and the minutes of M (E&C) at page 14 ante. This is only a copy of the representation received by the Govt. in Sept. 1952 - vide (L)/15-17 and 67-71. The request contained therein, viz., to assign a post of Lecturer in the Govt. Trg College, Mangalore to the subject 'Kannada', was examined by the Govt. in detail and it was decided that the request could not be complied with - Please see the notes at pages 62 and 75-79 of flag (L). Hence, no action seems to be necessary on the petition at pages 1-5 ante. ~~Secretariat~~ It may be left to the ~~Director of Education may perhaps see~~ D-8 to propose the re-assignment of the lecturers' posts in the College among the different subjects, whenever she considers re-assignment necessary for orders

8/14/53

M.(F. & E.) may perhaps see

The no. of posts of Lecturers in the M.E.S. in the Govt. Training College, Mangalore, excluding the Principal's post, is <u>two.</u> One is held by a ~~Lecturer~~ Lecturer in Social Studies and the other by a Lecturer in General Science. The Principal is qualified in English. The claim that there should be a M.E.S. Lecturer for Kannada in the college was gone into at length and was not admitted - vide pp.61-63 and 75-79 of "L".

Depending upon the needs of the subjects and the seniority and suitability and availability of officers in the different subject-units; the D.P.I. will propose the re-assignment of the Lecturers' posts, if necy., of his/her own accord. It may be ~~added~~ stated in this connexion that in the Govt. Trg. College, Kozhikode, there is no Lecturer in Malayalam. action seems necy. (If, however, irrespective of X above, there should at all times be a Lecturer in the regional language concerned in the two Trg. Colleges, two additional M.E.S. posts will have to be sanctd. and proposals in this regard will have to be called for from the D.P.I. for consideration as a Part II Scheme for 1954-55.) May be circd. to M.(F.&.E.) for orders on Y above.

I at p.3 ante:

Generally, posts of Lecturers in the Govt. colleges (M.E.S.-Rs.230-700) are sanctioned having regard to the importance of the subject concerned and also, tc a certain extent, to the no. of students taking the subject. An Asst. Lecturer's (1st) (M.E.S.S.-Rs.150-250) is ~~apptd.~~ created wherever the sanction of a Lecturer's or an Addl. Lecturer's post would not be justified. In May 1950, consequent on the revision of the B.T. syllabus, the D.P.I. proposed the re-organization of the staff in the Govt. Trg. Colleges. The reduction of the number of M.E.S. posts of Lecturers and the appt. of additional (M.E.S.S.) Asst. Lecturers were the main features of the re-organization. For example, in the Teachers' College, Saidapet, in the place of 10 Lecturers (including the Prl.) and 1 Asst. Lecturer, the D.P.I. proposed the appointment of 5 Lecturers (including the Prl.) and 6 Asst. Lecturers. His proposal was approved.

In the two new Training Colleges - Kozhikode and Mangalore - which were started in July 1950, only 3 M.E.S. Lecturers (including the Prl.) and 5 Asst.Lecturers were sanctioned. Subsequently, in April 1951, two additional posts of Lecturers were created for the Trg. College, Kozhikode.

While sanctioning posts (in colleges), it is usual to decide upon and specify the subjects for which they are intended. ~~and~~ Appts. are made ~~later on~~ subsequently from among persons qualified in the subjects for which the posts have been sanctioned. In the case of the Trg. Colleges, however, no such procedur was adopted. The D.P.I. said that (in respect of those colleges) such a specific allotment of posts to ~~different~~ particular subjects was not possible, ~~the~~ H. main reason ~~being~~ was that, while accg. to the revised B.T. syllabus in each Trg. College provision should be made for teaching staff in all the follg. six main subjects, the total no. of sanctioned M.E.S. posts was only five or three (including the Prl.):-

(i) Education (ii) Social Studies (iii) General Scien
(iv) Mathematics (v) English (vi) Regional lang

He wanted the subjects for the sanctioned posts to be determined, not in a "rigid" manner, but w.r.t. the availability of qualified and suitable personnel in the different subjects. This dept. strongly advised against the acceptance of the Dir.'s proposal. But, in circn., the Dir.'s suggestion was accepted. The notes at pp.15-16 and 20-21 of "H" may kindly be seen. "Availability of personnel" is a factor ~~changing~~ which will change from time to time. Therefore, the question of assignment and re-assignment (conversions) arises. If this is to be avoided, the course open is to sanction addl. Lecturers' posts, so as to bring their number equal to the number of main subjects (taught in the Trg. Colleges.) That is, one post has to be newly sanctd. in the Teachers' College, Saidapet, in the L.W.T.C., Madras, and in the Govt. Trg. College, Kozhikode, and three posts in the Govt. Trg. College, Mangalore. It is very doubtful if the Govt. will create addl. posts in the existing financial stringency. In the representation at p.10 of C.E., Sri B.B.Shetty and a few other gentlemen of Mangalore suggest that one of the gazetted posts in the Kozhikode Trg. College may be transferred to Mangalore, so that the no. of Lecturers' posts in each of these colleges will be equal. This seems worth considering now. For orders whether a copy of the representation may be sent to the D.P.I. and her remarks, particularly on X above, obtained. Subject to orders, a draft memo. is subd.

With a view to giving the regional language (Kannada) a prominent place in its own region, Sri B.B. Shetty and a few other gentlemen of Mangalore have submitted a representation requesting the creation of a post of Lecturer in Kannada in the Govt. Training College at Mangalore. Their suggestions in this connection are that one of the posts of ~~two~~ Lecturers in the Govt. Training College at Kozhikode may be transferred to Mangalore so that both the Colleges may have equal number of posts of lecturers or that the post of Asst. Lecturer in English in the Training College at Mangalore may be converted into a post of Lecturer in Kannada. The Director's remarks were called for in the matte and they are at p.15 c.f.

2. In the Govt. Training Colleges in the State there are the following posts of Lecturers viz.,

Teachers' College, Saidapet	5 posts of Lecturers including Principal
L.W.T. College, Madras	do
Training College, Kozhikode	do
~~L.W.T. College, Madras~~	~~do~~
Training College, Mangalore	3 posts including Principal

The last 2 Colleges were opened in the same year viz., 1950, and the fact that there are only 3 posts in Mangalore as against 5 at Kozhikode, would be a grievance and matter for representation. There is, however, no post of Lecturer in Malayalam in the Kozhikode College.

3. The Director's view is that there is no need to create a post of Lecturer in Kannada in the Training College, as a measure of recognition of the importance of the language in the region, as there is already a post of Lecturer in Kannada in the Govt. Arts College at Managalore; that it is not possible to convert the post of Asst. Lecturer in English to a post of Lecturer in Kannada as the Principal (who is also Lecturer in English) needs the assistance of the Asst. Lecturer and that it is ~~unpracticable~~

impracticable to transfer a post of Lecturer from the Govt. Training College, Kozhikode to the College at Mangalore as none of the existing posts in the former colleges can be taken away for the benefit of the latter college.

4. The University required that there should be atleast 6 posts of Lecturers in the Training Colleges to deal with the important subjects. Except at Mangalore, there are 5 posts of lecturers in the other Training Colleges. There seems to be a case for additional posts of Lecturers in Managal The Director's statement that none of the exisiting posts can be transferred from Kozhikode, to Mangalore only strengthens the case for additional posts at Mangalore. In connection with the Part II Schemes for 1953-54, a proposal was considered for the creation of one addl. post of Lecturer in each of the Training Colleges at Mangalore and Kurnool (bringing the total number of posts in these colleges to 4) but the S.F.C. did not approve it. It seems that the D.P.I. renewed the proposal in so far as it related to the Mangalore College, for consideration as a Part II Scheme for 1954-55 but that reference was not received here. However, even if one or two additional posts are sanctioned for the Mangalore College, it seems the posts will have to be assigned to the subjects Psychology and Mathematics for the reason that the former is a key subject in a training college and the latter has a large number of students. It is reported that there are now only 4 students who have offered Kannada as optional for the B.T. course.

5. In the circumstances it seems that it is not possible now to create a post of Lecturer in Kannada in the Training College even if additional post is sanctioned for that college. It does not also seem necessary to create a post in Kannada for giving recognition and importance to that regional language. There is a post of Lecturer in Kannada in the Arts College at Mangalore; there is also the Hons. course in Kannada in the Presidency College, Madras, with a post of Professor.

The D.P.I. may perhaps be requested to submit proposals for creation of additional posts of Lecturers in the Govt. Train College at Mangalore for consideration in connection with the Part II Schemes for 1955-56.

6. For orders as to circulation to M (F & E).

Finance (E.I) Department.

On a representation to the Government from some gentlemen of Mangalore requesting for creation of a post of Lecturer in Kannada in the Government Training College, Mangalore, the D.P.I has been consulted to offer his remarks in the matter. He has stated that there is no need to create a post of lecturer in Kannada in the Training College, as a measure of recognition of the important language in the region, as there is already a post of lecturer in Kannada in the Government Arts College at Mangalore. With reference to the suggestions contained in the petition for conversion of the post of Asst. Lecturer in English in the Training College at Mangalore into a post of a Lecturer in Kannada and for the transfer of one of the posts of Lecturers in the Government Training College Kozhikode to Mangalore, the D.P.I. has stated that it is not practicable to do so as it will affect the benefits of both the Colleges.

2. H.E.L.A. have agreed with the view of the D.P.I. in view of the reasons detailed in para 4 on page 7 above H.E.L.A. Secy. has proposed that the D.P.I. may be requested to submit proposals for creation of additional posts of lecturers in the Government Training College at Mangalore for consideration in connection with Part II Scheme for 1955-56 subject to the condition at X above. This Department may agree with the view taken by Secy. H.E.L.A.
